Must contain at least '6' characters.

Must contain a letter.

Must contain a lowercase letter.

Must contain an uppercase letter.

Online Account Information Setup Instructions

9. A pop up screen will appear that confirms that you have created a new user.

10. To **enable your User ID**, you must now go to your email, find the message sent to you by CustomerService@casselberry.org, and **click on the hyperlink** in the email.

- a. If you do not see the confirmation email, please be sure to check your spam folder to see if it is located there.
- b. The email will be similar to the one pictured below.

11. You will now be taken back to our website and will see a confirmation that your email User ID has been enabled.

Online Account Information Setup Instructions

12. Click on **Login** to log on to the website.

13. The **User Login** screen will now appear and you will log on to the website using your email address as the User ID.

A screenshot of the 'User Login' form. The form has an orange header with the title 'User Login'. Below the header, there is a red asterisk followed by the text '* = Required'. A light pink box contains two paragraphs of text explaining the migration of user accounts to a new centralized system. Below the text are two input fields: '* User ID:' and '* Password:'. The 'User ID' field is empty and has a red 'x' icon in the bottom right corner. Below the 'User ID' field is the text 'Must not be empty.'. The 'Password' field is empty. At the bottom right of the form is an orange 'Logon' button. At the bottom left of the form is a blue link labeled 'Reset Password'.

Online Account Information Setup Instructions

14. You will now associate the User ID and password created with your utility account. If you have more than one account, you can link all of the accounts to one user ID. To do this, click on **Select Account**.
