

Attention Lake Residents!

Special Lake Workshop* Tuesday, November 3, 2009

6:30PM – 8PM at City Hall

The City of Casselberry together with staff from the Florida Fish & Wildlife Conservation Commission (FWC) will be holding a lakefront workshop specifically for the residents and homeowners of Middle Lake Triplet, South Lake Triplet, Queens Mirror, and Lost Lake in the City of Casselberry. The workshop will be held on Tuesday, November 3rd, from 6:30PM – 8PM at the City of Casselberry City Commission Chambers, located in City Hall at 95 Triplet Lake Drive. The workshop will cover topics such as water quality, floodplains, vegetation characteristics, plant identification, and tips for homeowners on how to help protect these lakes. This will also be an opportunity for residents to ask questions and discuss lake issues with City and FWC staff.

For more information on this workshop, or if you have any questions, please contact Kelly Brock, City Engineer with the City of Casselberry, at (407) 262-7725 ext 1235, or via email at kbrock@casselberry.org.

For more information on lake management and water quality issues within the City of Casselberry, please check out our website: <http://www.casselberry.org/lakes>

INCLUDES LIGHT REFRESHMENTS AND **AQUATIC PLANT GIVEAWAY!**

(Ten lucky attendees will each receive a native aquatic or shoreline plant to take home!)

*Please be advised that (1) one or more members of the City of Casselberry City Commission and Lakes Management Advisory Board may be in attendance at this workshop
